Re: State v. Travis Abe Polite, Appellate Case No. 2015-000182  
END ABEYANCE

Dear Ms. Kitchings:

On October 14, 2015, I wrote requesting an abeyance in the above-referenced case while I requested what appeared to be a missing portion of testimony from the Jackson v. Denno hearing. Today, I was contacted by the court reporter, who played the recording of the relevant portion of the proceedings for me over the phone and e-mailed me a time-stamped copy of the transcript. Thus, despite its appearance otherwise, I no longer believe that anything is missing from the transcript. This case no longer needs to be held in abeyance.

We have reset our time limit in which to file the initial brief of appellant and designation of matter to 30 days from today's date, which gives us a due date of November 30, 2015. If this is not accurate, please contact me. I do not anticipate requesting any further extensions in this case.

Please contact me if you have any questions or need additional information.

Sincerely,

Laura R. Baer  
Appellate Defender
