Appellate Case No. 2014-002029

Dear Ms. Kitchings:

I spoke with the alternate case manager this morning and confirmed that the appellant's initial brief and designations are ineffective because the Court has not yet ruled on the pending Second motion for extension of time (docketed August 28, 2015), to which we objected on September 4, 2015, and on our motion to dismiss dated October 7, 2015. This will confirm that our time limits for responding to the Appellant's Initial Brief and Designations are not running and we will be informed by the Court of its decision on the pending motions before any further filings are required of us.

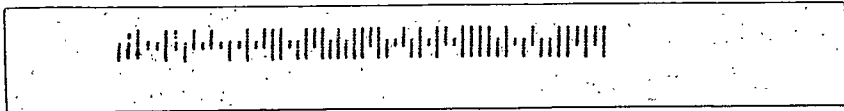

With warm personal regards, I am,

Sincerely yours,

Desa Ballard LLC
