Re: Charles Jordan v. The State  
Appellate Case No. 2015-001479  
Lower Court Case No. 2013CP1600678

Dear Mr. Jordan:

This responds to various documents that you have sent regarding the above post-conviction relief (PCR) case. The notice of appeal in the above matter was dismissed by order dated September 21, 2015, and the remittitur was sent on October 8, 2015. The sending of the remittitur ended appellate jurisdiction over this matter. *Wise v. S.C. Dept. of Corr.*, 372 S.C. 173, 642 S.E.2d 551 (2007).

Further, this Court has no record of receiving a notice of appeal from the final order of the circuit court filed on July 14, 2015. If a notice of appeal has in fact been served regarding that order, you will need to file a copy of that notice of appeal, along with a proof of service showing that this notice of appeal has been served on opposing counsel, with this Court. Additionally, you will need to provide this Court with the date on which you received written notice of entry of the final order.

Finally, you continue to send documents about this PCR case to the South Carolina Court of Appeals. Please send all documents related to any appellate review in this

PCR case to this Court rather than to the Court of Appeals.

Very truly yours,

A handwritten signature in black ink, consisting of several loops and a long horizontal stroke extending to the right.
