Appellate Case No. 2015 - 001837

Patrick L. Booker, # 297590, Appellant,

-VS-

South Carolina Department of Corrections.

Motion for Extension of Time
to Serve and File Brief

COMES NOW the Appellant who respectfully requests that this Court extend the time for him to serve and file the Initial Brief and Record on Appeal. Appellant requests thirty (30) days from the date on which this Court may grant him his requested extension. The basis for this Motion is two-fold: First, the Appellant did ^{P.B.} ~~not~~ believe his time to serve and file his brief would not begin to run until he either was granted leave to proceed without payment of the filing fee or paid the fee; this Court gave Appellant leave on 10/13/15 to proceed in form pauperis. Second, Appellant

is currently without possession of all of the briefs, transcripts, and records of the lower court proceedings, but he trusts he will gain possession of the same within a week from now.

Please grant Appellant an extension of time, and notify him of his deadline.
