Appellate Case No.: 2014-001816

Clarence Winfrey, Employee, Respondent, v. Archway  
Services, Inc., Employer, and American Fire &  
Casualty Insurance Co., Carrier, Appellants.  
Appellate Case No. 2014-001788

Dear Ms. Allen:

Mr. Bayne contacted me this past week on Thursday, October 13<sup>th</sup> while I was at the Law Library working on finalizing my Briefs to get them to the printer and requested an extension for filing the Final Briefs in the above-referenced matters. I had no objection and we agreed to a mutual extension for the filing of the Briefs. I am notifying the Court because I have not received anything in writing notifying the Court of this request for a 20-day extension for the filing of the Final Briefs. I have proceeded under the assumption that it would be made and again, I have no objection to the extension being granted. By copy of this letter, I am notifying Mr. Bayne of this communication and request of submission for the request for an extension per our agreement.

If I have not received written notification by in the morning, I will have no option at this point but to file for an extension. I would appreciate it if you could notify me if something has been filed but that has been delayed in getting to me in the mail.

As always, I appreciate all the courtesies and kindnesses shown to me by the Court and if the Court needs any additional information, please advise.

Sincerely yours,

Preston F. McDaniel
