**MOTION FOR EXTENSION OF TIME TO FILE
INITIAL BRIEFS AND DESIGNATIONS OF MATTER**

RECEIVED
NOV 02 2015
SC Court of Appeals

Appellants/Respondents' and Respondents/ Appellants' Initial Brief and Designation of Matter to be Included in the Record on Appeal are due on November 9, 2015. All parties previously requested and received a 60 day extension due to the transcript issues and alerted the Court to a health matter concerning one of the lawyers. Recently, two parties withdrew their appeal/cross appeal. The issues of the appeal remain extensive and the transcript testimony itself is approximately 1000 pages excluding exhibits. There are approximately 300 Exhibits to the trial transcript. Counsel for Appellants/Respondents requests an extension due to lead counsel's recovery on health related issues related to pulmonary function and continued treatment. Undersigned counsel for Gandis and Comeau-Shirley were not trial counsel and the illness/medical course of treatment have complicated completion of the Initial Brief and Designation of Matter. This case present unique issues of law and an additional 30 days would assist in the presentation of the Initial Briefs. Accordingly, counsel for Appellants/Respondents respectfully requests a 30-day extension of time in which to file and serve the Initial Briefs and Designations of Matter.

Respectfully submitted,
