IN THE COURT OF APPEALS

APPEAL FROM GREENVILLE COUNTY
D. Garrison Hill, Circuit Court Judge
Appellate Case No. 2015-000066

FURMAN EUGENE TAYLOR,

APPELLANT,

Vs.

THE STATE

RESPONDENT.

SUPPLEMENTAL DESIGNATION OF MATTER
TO BE INCLUDED IN THE RECORD ON APPEAL

Appellant purposes the following be included in the record on appeal;

(1) Transcript of record in this matter from the first trial on February 11th and 14th, 2014

Affidavit of Facts

I, Furman E. Taylor, do depose, declare and say under the penalty of perjury that the objection to respondents' motion to strike and the following is true and correct to the best of my knowledge and belief that:

(1) The February 11th and 14th, 2014, transcript and references to refresh several witnesses memory during the January 5th thru 7th, 2015, trial is a part of the record and should be included in the record on appeal.

(2) That Solicitor Wallace knew or should have known that originally David Perry advised both Officer Abella and investigator Mashak that he observed no male, that his brother (Candy Perry) had told him that one was there which constitutes a grave misconduct in office resulting in an unfair/unjust outcome.
