SC Court of Appeals

I Julia Fludd don't want this case ever to dismiss. I am asking for a continuous because in my Civil Court Docket number No. 2014-CP-10-3262 the defendant of Angela Dingle want it to dismiss four times because of the conspiracy to shut me down because she did not have a case. Abuse and neglect on elder and a child that I don't agree with. Only the plaintiff aloud to dismiss any case not the defendant. Please advise that I will present all of my witness whom have never been testified this is victory for me. I had observed alot of abuse on child and elder because it had happen to me. But I will fight until my story be told and all information that I will present to the court is true. Also I have the transcript and the transcript is the record.

Thank You, remain Julia Fludd
