SC Court of Appeals

11-2-15

To Whom it may Concern,

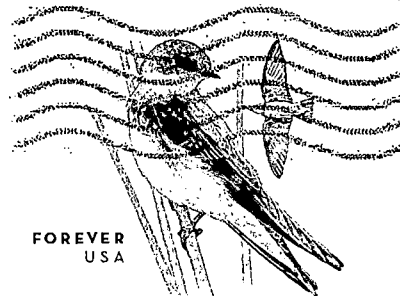

I'm, Jonathan Gibson, writing in reference to my current appeal. Since Sept 3, 2015 I've been incarcerated after a guilty verdict from the State of South Carolina. I've talked to my attorney, Mr. Derek Chiarenza, twice since then. The first time I spoken with Mr. Chiarenza, I spoken to him about filing an appeal on my behalf. He told me he would but, he couldn't file the same day. To my knowledge you have to file an appeal within 10 days from the day of your sentencing. The next time I spoken to Mr. Chiarenza was Monday Sept 28 2015 in Saluda County. When I mentioned the appeal to him, he told me we shouldn't be worried about the appeal. He said we shouldn't be worried about the appeal because by the time the appeal comes through, I would probably done made out by then. So, I'm writing the court of Appeals to find out if there are an appeal on record filed on my behalf. I understand that appeals takes a long time and sometime it doesn't. I also understand that there are no specific time limits on appeals. Mr. Chiarenza told me he talked to the lady who is currently working on my appeal and that I should hear from her and or the courts within the next two weeks. It's now been over a month since then and I've yet heard anything concerning my appeal at all. I have not recieved a Courtersy copy of the initial filing. I would like to be updated of the status of my my appeal and or guided through the correct procedure to fulfill my wishes of my appeal process. Very Truly Yours,

Jonathan Gibson
