Re: *Stoneledge at Lake Keowee Owners' Association, Inc., et al. vs. IMK Development Co., LLC, et al.*
Appellate Case No.: 2013-001404
Our File No.: 6002-147
Claim No.: P 505-208116-01

Dear Deryl and Palma:

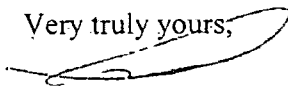

It is with conflicting emotions that we announce that David A. Root, Esquire, is leaving the firm to pursue a career long dream to work in the government sector. David will be the new county attorney for Oconee County, and his last day here is fast approaching.

We are delighted he has been given this opportunity; but we are saddened to know that our partner for 15 years is leaving.

In the meantime, I will be taking over primary responsibility for David's cases, and will be available to answer any questions you might have. Typical for David, all of the cases are in excellent shape and where they should be in this stage of the litigation. I will be helped by other lawyers here in the firm to manage the day to day aspects of your cases, as we determine whose particular talents and schedule will be most effective. Of course, I will not charge for the time spent in file review to get up to speed on your matters.

Please join me in wishing David and the firm all of the best going forward.

Very truly yours,

Trent M. Kernodle
