Re: PHH Mortgage Corp. v. Norman D. Lowery
Appellate Case No. 2015-002253

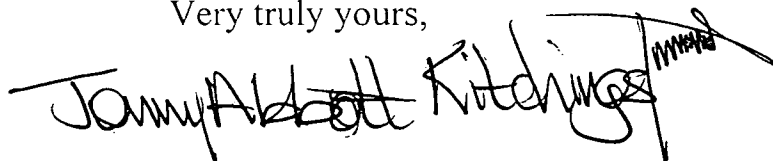

Dear Mr. Lowery:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- The notice of appeal does not comply with Rule 203, SCACR. Specifically, you must provide the names, mailing addresses, and telephone numbers of all attorneys of record and the names of the party or parties represented by each on the notice of appeal itself. You have listed four respondents.
- The accompanying proof of service is not in compliance with the SCACR. Your proof of service should be substantially in the format shown by Form 7 in Appendix C to part II of the SCACR. You must list the name and address of the attorney(s) served with the name of the respondent(s) each represents.
- The notice of appeal is not accompanied by the order(s) and/or judgment(s) challenged on appeal. You must provide the court with copies of the two orders you are appealing.
- The Form 4 order signed June 30, 2014 we received with your notice of appeal only lists PHH Corporation as a plaintiff. You must provide the court with an order

that shows the entire caption you included on your notice of appeal, or the original complaint, so that the court may verify the caption.

Very truly yours,

A handwritten signature in black ink that reads "Jonny Abbott Kildings". The signature is written in a cursive style with a horizontal line above the first name and a large, sweeping flourish at the end.
