To whom ever this may concern... SC Court of Appeals

I'm respectfully requesting to know who my appeal lawyer is? Also to let it be known that I've been punished twice for the same crime. Please allow me to explain briefly. On 8-28-14 I was accused of failure to stop for a blue light, which in fact the chase ended in North Carolina. Both state officials conspired on how they would charge me. South Carolina officials stated I would be ~~charged~~ charged with larceny. North Carolina officials replied by charging me with (Poss. of Stolen Goods 14CR 060013). I was taken into custody in North Carolina. On 09-29-14 CR I signed a waiver of extradition. (10-27-14 CRS Poss. of Stolen Goods was dismissed by D.A.)

On behalf that I plead to misdemeanor larceny in 14CR8721 D.A. Stockwell. On 05-20-15 I was found guilty by jury in South Carolina. Which in fact, is the same crime I plead guilty to in North Carolina. Please assist me in this matter.

Thank You & God Bless

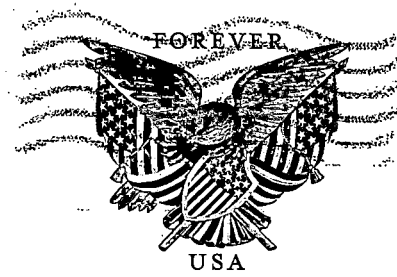

Sincerely yours
Jerry L. Dickey

(PS) I believe it to be double jeopardy!
