Re: The State v. Benny L. Webb
Appellate Case No. 2014-001848

Dear Mr. Webb:

The Court is in receipt of your correspondence dated November 6, 2015 which included documents entitled "Amended Final Brief", "Record on Appeal", and "Amended Designation of Matter". Please be advised that if you wish to amend your designation of matter then a motion needs to be filed before filing and serving the record on appeal. Also, according to our records, the record on appeal was due to be served on the respondent no later than November 6, 2015. The record on appeal must include all of the items listed on your designation of matter as well as the respondent's designation of matter. Please see Rule 210 of the South Carolina Appellate Court Rules in terms of what needs to be on the cover page and included in the record on appeal.

The Court sent a letter on November 3, 2015 indicating the correct title to be on the front cover of the record on appeal and final briefs as well as how copies should be bound. Please see Rule 267, SCACR. The Court is returning all of your correspondence with this letter. Please advise the Court of the status of the record on appeal within ten days of the date of this letter or your appeal may be dismissed.

Very truly yours,

V. Claire Allen, Deputy

CLERK
