Appeal From Administrative Law Court  
S. Phillip Lenski, Administrative Law Judge

Appellate Case No. 2015-002114

William Ford # 232122 . . . . . Appellant,

V.

South Carolina Department of Corrections . . . . . Respondant.

Motion to File a Reduced Number of Copies  
For the Record on Appeal and Final Brief

Pursuant to Rule 240 of the South Carolina Appellate Court Rules the Appellant files this motion. The Appellant asks this Court to allow him to file a reduced number of copies of the Record on Appeal and the Final Brief of the Appellant on this Court when due. The Appellant sees that he is obligated to file 15 copies of the Record on Appeal and 15 copies of the Final Brief of the Appellant when due and that is a problem for him. Due to not having access to a typewriter nor computer, the Appellant has to make all pleadings before this Court manually and it would be nearly impossible for him to do so of those filings without having errors writing by hand. It is not permitted to get copies made of hand generated materials at this Institution so that is not an option either. So the Appellant do pray this Court be merciful on him and allow the reduced number of filings for the pleading in question.

Respectfully Submitted,  
S/William Ford

RE: William Ford # 232122 V. South Carolina Dept. of Corrections  
Appellate Case No. 2015-002114

Dear Clerk,

I do appreciate you hearing my concern. This letter is in regards to the letter sent to me from this Court dated November 17, 2015. I truly do apologize for the deficiencies in my filings. I ask that you be merciful to me and help me along with litigating my appeal, being I am filing pro-se and have never before litigated a case. So please comb through my filings and inform me as needed of deficiencies and I will be sure to respond back urgently with the corrections needed. Also enclosed is a motion to file a reduced number of copies for the record on appeal and the Appellant's Final Brief. Lastly I ask could you clarify the meaning of your last letter about the filing on the Appendix in my Original Brief being considered a part of the record on Appeal. It is to bring clarification to the issues of my appeal, being it was not considered by the ALC. I do thank you again and look forward to your response.

Respectfully,  
William Ford
