Petitioner.

Appellate Case No. 2015-000218

ORDER

Petitioner asks this Court to take judicial notice of a consent order issued by the United States Controller of the Currency involving the Bank of America. In addition to any other arguments a party may wish to make in any return or reply, any return or reply shall discuss the propriety of taking judicial notice of the consent order which was not in existence at the time the circuit court issued its judgment in this case and which is not signed by any of the parties to this case.
