SC Court of Appeals

Re: Diana Jordan SSN: XXX XX 3789

Dear Sandra Grooms,

On 11/25/15 my Social Security record with earnings back to 2002 visible and wa's from the IRS for 2012, 2011, 2008, 2007 and 2005, I obtained in January 2015, were re-submitted by email to BPCcollections@dew.sc.gov. Please review the documents and advise me if the SCDEW has reversed the overpayment assessment. Also, I sent two previous requests for a bound copy of the record under appeal and have not received one. According to the court's rules I am supposed to retain a copy of the record for one year after the conclusion of the case. Please send a bound copy of the record under appeal regardless of SCDEW's decision.

Thank You,

Diana B. Jordan
