I have reviewed my notes regarding the transcript of the hearing in the above-referenced case and have estimated the length of the transcript to be approximately 9 pages. At our rate of \$3.25 per page, the cost of the transcript would be approximately \$29.25, plus postage in the amount of \$5.75, for a total of \$35.00. This is a rough estimate. The final cost could be more or less.

If you would like me to proceed with transcription, I will require a money order in the amount of \$35.00. I should be able to have the transcript completed by December 11, 2015.

If you have any questions, please let me know.

Thank you.
