S.C. SUPREME COURT

MOTION FOR
ENLARGEMENT OF
TIME

COMES NOW the Petitioner, Carlynias Pettigrew, respectfully requesting this honorable Court to extend the time to file the Johnson petition brief in this case an additional forty-five (45) days from its present deadline of December 5, 2015 to a new deadline date of January 20, 2016. The Petitioner-Appellant offers the following good cause for the requested enlargement of time:

- 1) The underlying legal principles of the petition's issues are complex and the amount of time to properly research these issues can not be done in the previous forty-five (45) days

allotment of time by Petitioner as he is a pro se litigant with no legal training nor knowledge in law.

2). The Petitioner's access to the prison law library has been restricted in the previous forty-five (45) days allotment of time due to security incidences and inmate assault stabbings that had disrupted the normal operational functions of the Broad River Prison, including the accessibility to the prison law library.

3). The Petitioner brings this motion in good faith, to aid judicial economy and in no way to hinder it. The Petitioner attests to the truth of this motion under penalty of perjury.
