

The South Carolina Court of Appeals

The State, Respondent,

v.

Dameon Lamar Thompson, Appellant.

Appellate Case No. 2015-001029

ORDER

After careful review of counsel's guilty plea explanation, the Court determined that this appeal should proceed. In the interim, we dismissed the appeal for failure to order the transcript. That dismissal is rescinded and the appeal is reinstated. The appellant must provide proof of having ordered the transcript within ten days of the date of this order.
