my reasons for appeal, for my case is, the fact that The whole time that

I was being represented By York county public Defenders office of the 16th Judicial Circuit Court, I being that In A indigent inmate and could not afford A legal counsel, so therefor By my Rights I was appointed legal counsel, I also had two Co-defendants, And one had A pro Bono lawyer, but one of my codefendants and I were represented by the public defenders office, That is A violation of my legal Rights to recieve fair and just Justice, Also I never was Indicted on my charges of sollicitation/sollicitation to committ A fellower. I also was given A max sentence for mistamancers, Because the fact that they were for looking to parade me in front of the county and make A mockery of me, I went to file An appeal due to rights violation and Civil per justice, Because I was already convicted by the media Befor I ever went to court, I couldnt get A fair trial or even A sentence, please see grounds for my appeal
