

**APPELLANTS 2ND NOTICE OF CONCERN ABOUT MISSING
MAILED FILINGS TO THE COURT**

The reason I'm contacting you is because on several occasions I have mailed information concerning my cases 2015-49, 2015-1331 and 2015-001511. For some reason they may have been misplaced or lost because the info isn't being posted or responded to when I sent my first concern about this matter.

On 10-13 Appellant mailed his first letter about a concern about letters he had sent to the Clerks Office, that weren't posted. Before I had sent this concern letter I had called about something that wasn't posted and Elizabeth Carter wasn't there and another lady said she would help me. (she didn't identify herself) Now at this time I can't remember exactly what it was I was inquiring about, but she got back on the phone and was basically talking out loud and said no, no, here it is and then it was posted.

Case no. 2015-000049

1. On 8-24-15 Appellant was sent a letter that stated his Designation of Matter wasn't included.
2. Exhibit A. On Oct. 1st -15, Appellant purchased a money order and two stamps and mailed to the Court of Administration and to Attorney's Wall, Templeton and Haldrup for a motion to proceed out of time which included my Designation of Matter. This was written at top of the exhibit at the USPS for my records.
3. Posted on 10-12-15 and mailed is a letter stating Appellant failed to send Designation of Matter.
4. Posted on 10-13-15 and mailed Motion to Allow Late Filing Fee of Appellants Designation of Matter. (construed as a petition to reinstate the appeal) also; DESIGNATION FILED BY APPELLANT (motion pending).
5. Posted Nov. 18th, two letters sent about case being dismissed and Remittitur to Lower Court that should be stopped or revoked ? just like the Remittitur that was stopped after Appellant called and was told they would take care of it and they did.
6. Exhibit B. on Oct. 13 Appellant sent three letters of concern in one envelope of cases 2015-000049, 2015-001331 and 2015-001511 and Appellant was wanting to know why some letters/info weren't being posted and could they please let me know what had happened and what should be done. There never was a response.

Case no. 2015-001331

9. Posted On 7-23-15, Transcript Ordered.
10. Posted on 9-4-15, Transcript not received.
11. Exhibits D & E is a letter Appellant didn't receive from reporter Ruth Mott and was resent after Appellant had made a complaint to Desiree Allen/court reporters, about her not responding.
12. Exhibits F, on Oct. 1st Appellant called for Elizabeth Carter and asked why wasn't my Relief of Judgement that was mailed on Sept. 24th, not posted?
13. Exhibits B, D, E & G on Oct. 13th Appellant mailed his concern about un-posted information and included in the envelope was my explanation of my doubt of the court reporter, Ruth Mott's accuracy of the cost she had submitted to me. Also Pro se asked for a procedure to follow or a procedure the court may follow to get to the bottom of her improper request. I never got a response.
14. Posted Oct 22. A letter stating Appellant must provide that he had made arrangements and Appellant called and explained all of this and was told they would take care of it and that is and that is why again you see not responding to the Oct 22nd letter because of what I was told they would do again, take care of it.

CASE; 2015-001511

15. Exhibit H, on 8-8-15 Appellant mailed his proof of service for Motion to Proceed In forma pauperis that was in the letter filed on Sept. 3rd that Appellant failed to do this. APPELLANT MAILED LETTER!

I called and asked for Elizabeth Carter and she wasn't there and the lady that answered said she would help me and never identified herself. I had called originally about another case and asked her was it true that I had a year to appeal this since I was told earlier in another case I had a year to Appeal I thought the case was dismissed and I had a year to do something about it. She asked the case no. and she said I had one more day to send the Form letter to stop the Remittitur from being sent. I explained to her I had sent the letter on 8-8-15 Exhibit and I had a receipt from the USPS to help prove it but apparently the clerks office did not have it. I told her it's about 4:00 and there was no way I could put all this together then drive to the library and type it up and then make it to the post office before 5:00 and mail it overnight, especially since my wife was gone in our car. I told her I don't know what to do and I guess I'm really messed up now because of the USPS not delivering the letter (it was never returned to me) and it looks like my

case is going to be dismissed because of the sorry post office. The lady said I don't know what to tell you.

But now I think the letter I sent was there all the time, but what bothers me most about this is about a week later I found out I could have sent it electronically from the library, 262 (A) (2) and she had the opportunity and should have told the Pro se he could do this and it would have not been giving him advice but a procedure that is used by attorneys.

16. Posted Sept 3rd This Matter is Dismissed and Appellant has failed to provide the Notice of Appeal filing fee and I never received anything stating Appellant had been denied his request to proceed In forma Pauperis. Also I sent the proof of service on 8-8-15. So what legal standing and/or procedure can a Pro se take or is this something that the Clerks office needs to fix, please respond. Thank you, Jack Powell at carolineschair@gmail.com or (843) 952-4762

Re: Transcript Request
Jack Powell v. Marshland Communities and MUSC, et al.
Hearing Date: July 30, 2014

Dear Mr. Powell:

I am in receipt of your request for the transcript in the above-referenced matter. An up-front deposit is required before I start producing your transcript. This deposit would be an estimate because I won't know how many pages it will be until the transcript has been completed. Currently the Supreme Court has set the page rate for production of original transcripts at \$3.25 per page. Once your deposit is received, then the transcript will be placed in line to be produced and packaged for mailing. The statutes which govern my job functions allow up to sixty days for this process to be completed. The 60-day time limit would begin once your deposit is received by me.

Upon review of the records, I would estimate your transcript to be approximately 40 pages, at a cost of \$135.05, which includes postage, at the normal 60-day turnaround rate. Deposits are to be paid by a postal money order or bank cashier's check, as I cannot accept personal checks. If you end up overpaying me, then I would refund the difference, via a money order or cashier's check back to you, of course. If, however, the deposit does not cover the entire cost of the transcript, I will contact you regarding what the difference will be, and any additional funds must be received before I can mail the transcript to you.

If you want me to proceed with the production of your transcript, please send me a postal money order or bank cashier's check in the amount of \$135.05, and I will be happy to proceed.

Sincerely,

A handwritten signature in black ink, appearing to read "Ruth Mott".

FORM 12
NOTICE THAT TRANSCRIPT HAS NOT
BEEN TIMELY RECEIVED

October 12th, 2015

Deputy Clerk; V. Claire Allen
1220 Sumter Street
Columbia, South Carolina 29201

RE: Medical University of South Carolina v Jack Powell, Appellant, Case 2015-001331

Dear Deputy Allen,

This is Appellant Jack Powell and I'm reporting that I received a response by reporter Ruth Mott on August 2nd for Marshland Communities and MUSC which stated; Upon review of the records, I estimate your transcript to be approximately 40 pages at a cost of \$135.05. Then the case for Marshland was dismissed and I made the request again just for MUSC and asking for the exact amount of pages. On September 30th in her response just for MUSC she stated; The transcript is 40 pages at a cost of \$135.05.

On July 22nd I received a response from Reporter Karen Anderson requesting \$21.50 for the transcript where I spoke 13 times covering only 2 pages in case 2015-000049 and during this MUSC 2015-001331 hearing I was only allowed to speak three sentences before being cut off by Judge Dennis and him then granting MUSC Summary Judgment. Therefore the cases were basically the same amount or less and I'm questioning the accuracy of this estimate the reporter has made and I'm also requesting the administration to look into this or possibly make a suggestion or a procedure for a Pro se to follow to get to the bottom of this.
