Attorneys for Respondent Amisub

Pursuant to Rules 260 and 207 of the South Carolina Appellate Court Rules, Respondent Amisub of South Carolina d/b/a Piedmont Medical Center moves, and joins in the anticipated motion of its co-respondents, to dismiss Appellant's appeal on the grounds that Appellant has failed to request a copy of the transcript of the hearing before the trial court within the time required under Rule 207(a)(1), SCACR.

In the alternative, Respondent Amisub hereby moves to request an extension of time to file Respondent's initial brief on the grounds that Appellant failed to consult with any of the Respondents with regard to requesting a copy of the transcript of the hearing and instead unilaterally notified the court that a transcript of the proceeding was not needed. Appellant's actions are improper and prejudice Respondents in their effort to meaningfully and timely respond to this appeal.

Rule 207(a)(1), SCACR states in pertinent part:

Where a transcript of the proceeding must be prepared by the court reporter, appellant *shall*, within the time provided for ordering the transcript, make satisfactory arrangements in writing with the court reporter for furnishing the transcript. In appeals from the court of common pleas . . . the transcript must be ordered within ten (10) days after the date of service of the notice of appeal. below.

(Emphasis added). Further, "[u]nless the parties otherwise agree in writing, appellant must order a transcript of the entire proceedings." *Id.* Appellant's counsel filed the Amended Notice on Appeal on October 28, 2015. Pursuant to Rule 207(a)(1), SCACR, Appellant was thus required to order the transcript from the court reporter by November 9, 2015. Instead, Appellant notified the South Carolina Court of Appeals by letter dated November 9, 2015

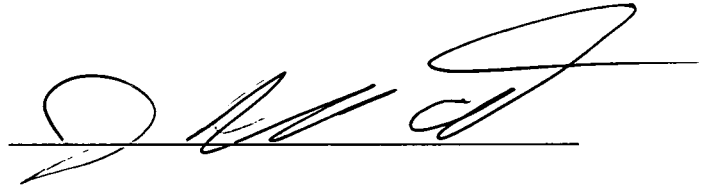

that "the Appellant does not need the transcript for perfection of the above-captioned appeal. Therefore, no transcript will be ordered in this matter." Prior to filing this notification on November 9, 2015, Appellant's counsel did not consult with Respondents' counsel regarding the transcript. Rule 207(a)(1), SCACR mandates that Appellant order a copy of the full transcript of the proceedings below unless the parties otherwise agree in writing. There is no agreement in writing, or otherwise, between the parties not to order all or a portion of the transcript.

As our supreme court has observed, "the South Carolina Appellate Court Rules are not mere technicalities but provide the parties and this Court with an orderly mechanism through which to guide appeals in this State." Henning v. Kaye, 307 S.C. 436, 437, 415 S.E.2d 794, 794 (1992). Failure to comply with the Rules needlessly complicates and muddies this appeal – resulting in cost and inefficiency for both the court and the parties. Moreover, Appellant's unilateral declaration that the transcript of the summary judgment hearing is unnecessary to the resolution of this appeal is without merit. Therefore, Respondent Amisub respectfully moves for this Court to dismiss Appellant's appeal based on the blatant disregard of Rule 207, SCACR, as described above.

In the alternative, Respondent Amisub respectfully moves for this court to compel Appellant to order the transcript of the hearing and grant Respondent an extension of time to file their initial brief until thirty days after a transcript of the proceedings below is produced by the court reporter. If the court is disinclined to grant this relief, Respondent Amisub respectfully asks that this motion be treated

as a request for an extension of time to file their initial brief (Respondents' initial briefs are due on December 14, 2015. If a thirty day extension is granted, the initial brief would be due on January 13, 2016).

Respectfully Submitted,
