Re: State of South Carolina v. Armando K. Chestnut  
Appellate Case No. 2013-002123

Dear Ms. Kitchings:

I filed a motion to file a supplemental record on appeal along with the supplemental record on appeal itself in the above-referenced case yesterday, October 20, 2015. That supplemental record contained an order, and was cited as "Supp. R. 1-2" in my final brief. That final brief was filed yesterday also. After discussions with Donald J. Zelenka, Esquire, it was decided that he would file a supplemental record on appeal and accompanying motion to include several transcript pages cited in his original brief but not designated. The order I needed included will be still be included as pages 1-2 in Mr. Zelenka's supplemental record so that we do not have to file an amended final brief.

Consequently, I am respectfully requesting that my motion to file a supplemental record and the supplemental record itself be withdrawn in favor of Mr. Zelenka's motion and supplemental record that he should file today. Thank you for your assistance, and please contact me if you have any concerns or questions about this matter.

Sincerely,

Robert M. Dudek  
Chief Appellate Defender
