Appellants.

Appellate Case No. 2015-001590

ORDER

Appellants have filed a notice of appeal from six circuit court orders pertaining to a derivative lawsuit filed by Respondents. Appellants have also filed a consent motion to exceed the page limit, requesting the page limit for Appellants' and Respondents' initial briefs and final briefs be expanded to sixty-five pages. In their initial brief, which was submitted with the motion to exceed the page limit, Appellants raise nine distinct legal issues. Due to the complexity of this case and the multiple issues addressed by the circuit court and raised by Appellants on appeal, the motion is granted. Appellants' initial brief shall be accepted as filed. Respondents shall have thirty days from the date of this order to file their initial brief.
