RE: State v. Jajuan Andre Habersham – Appellate Case No. 2014-002706

Dear Ms. Kitchings:

In a letter dated December 7, 2015, and received by our office on December 8, 2015, this Court asked the State to provide a status update in regard to the service and filing of the initial brief of respondent and designation of matter in the above-referenced criminal appeal. Please be advised undersigned counsel for the State served and filed the initial brief of respondent and designation of matter in this case on December 2, 2015, by personally mailing those documents through the United States Postal Service to both this Court and counsel for the appellant. As verification, I am attaching a copy of the original proof of service to this letter. Additionally, please be advised undersigned counsel for the State mistakenly included the wrong appellate case number on the initial brief of respondent and designation of matter as filed. That number was erroneously identified as Appellate Case No. 2014-002176 as opposed to Appellate Case No. 2014-002706. Please let me know if this Court needs any additional information or requires any further response from the State.

Sincerely,

Mark R. Farthing
Assistant Attorney General
