RE: The State v. Willie Jackson
Appellate Case No: 2015-000706

The State v. Annie Jackson #2
Appellate Case No: 2015-000667

Dear Ms. Kitchings:

I am in receipt of a copy of the letter sent by counsel for the appellants listed above requesting that this Court require the Spartanburg County Clerk of Court to deliver to this Court all non-paper exhibits in the appeals listed above. I am writing to advise that the State has not been served with Appellant's Initial Brief or Designation of Matter specifically identifying the non-paper exhibits. The request by Appellants may be premature at this point and lacks sufficient specificity so enable Respondent or this Court to identify the non-paper exhibits. It is the understanding of the undersigned that not all non-paper exhibits are accepted by the Court and some advance identification of the specific exhibits in question may be necessary to enable the Court to determine the propriety of the request and to verify receipt of each exhibit.

Sincerely,

Salley W. Elliott
Senior Assistant Deputy Attorney General
