## ORDER

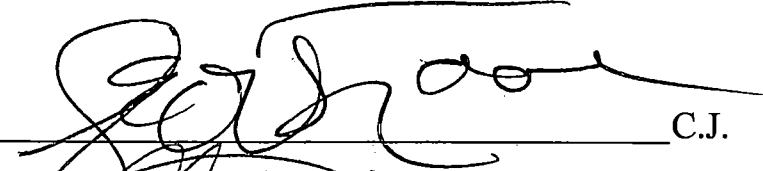

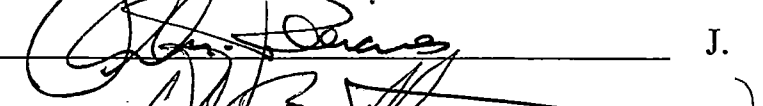

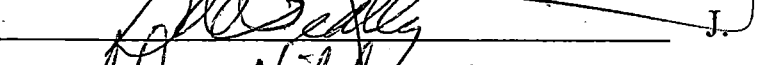

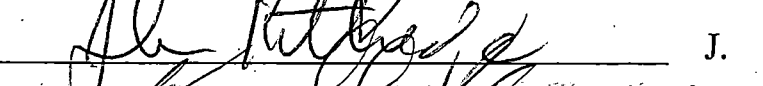

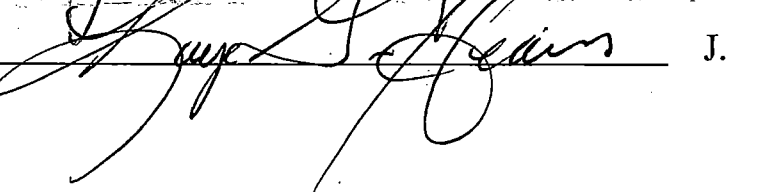

---

The following petition for writ of habeas corpus was dismissed by order dated October 8, 2015:

*The State v. James B. Curry*. Second Petition for State Habeas Corpus Relief and Motion in Support of 2nd State Habeas Corpus dated September 9, 2015; and Argument in Re: to 2nd State Habeas Petition and Motion dated September 28, 2015. Appellate Case No. 2015-001976.

The petition for rehearing was denied by order dated November 4, 2015. Petitioner has submitted a second petition for rehearing, asking the Court to reconsider its previous orders.

There is no provision under South Carolina law which allows for review or reconsideration of the denial of petitioner's original petition for rehearing. Moreover, the full Court considered both the petition for writ of habeas corpus and the petition for rehearing and found petitioner's claims meritless, and that the Clerk of this Court has not failed to fulfill any duties in this matter. Accordingly, the petition is denied.
