

Dear Jenny

Hey I was writing to see about my transcript so I can be
able to start looking on my case. I also would like to know
who is being assigned to my case as an Appellate Lawyer so I
will be able to be familiar with who I am being represented
by instead of not knowing who I'm dealing with. I would
appreciate it in any way that my transcript be sent to me
or bid to me on how going about picking a copy
of my transcript because I really don't have time
to waste as trying to make a phone call so if so
may you or whom may ever this concerns reply
back to me and give me more details on this please.
Thanks very much and will be looking for a response
from any party who is in charge with handling
transcript on my case so I would want this note
to be set in the right hands because this my
life I'm fighting for.
