SC Court of Appeals

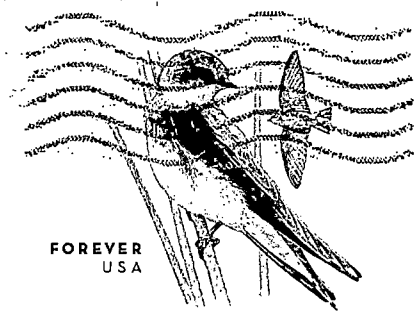

To Whom It May Concern,

Hi, my name is Hannah Manning. I am 23 years old & I am currently serving a 7 year sentence for ARSON at Goodman Correctional Institute in Columbia, SC. I am writing you today to request any & all information on options to have my sentence reduced, overturned, etc. I have been incarcerated since February 2015 and if I had just accepted my plea bargain I never would have come here. My plea was house arrest and probation under the Youth Offender's Act. I beat myself up every single day for not taking it. I am miserable, but I have been taking advantage of every opportunity to better myself & become the best me I can be and never come back here. Unfortunately, there are not very many programs offered. My family has been fighting hard to bring me home since day one. I know there are not many options to be able to bring me home, but I wanted to contact you myself to discover any and all options of possibly shortening, reconsidering, or even overturning my sentence. I will do absolutely any required of me to be able to return home and have a chance at living my life and make a difference in people's -
