Re: State v. Reginald L. Gordon, Appellate Case No. 2014-002555

Dear Ms. Kitchings:

The initial brief of appellant and designation of matter in the above referenced case was served and filed with the Court on September 29, 2015. In preparing the Record on Appeal, I realized that when I designated the trial transcript, I simply designated "Trial transcript pages:" without specifying the exact pages. This was an oversight on my part. I intended to designate only those pages necessary for resolution of the appeal, which would not encompass the entire trial transcript. Therefore, I am moving to amend the designation of matter. I am enclosing the amended designation of matter with this letter and providing a copy to opposing counsel.

As indicated by her signature below, Susannah R. Cole, of the Attorney General's Office, consents to this request.

Sincerely,

Susan B. Hackett
Appellate Defender

I consent:
