

# The Supreme Court of South Carolina

The State, Petitioner,

v.

Francis Larmand, Respondent.

Appellate Case No. 2013-001143

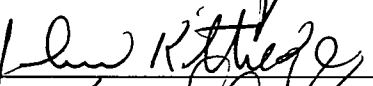

---

## ORDER

---

The petition for rehearing is granted on allegations 1 and 4 in the petition, and denied as to all other allegations in the petition. This Court dispenses with any further briefing and substitutes the attached opinion for the opinion previously filed in this matter. Contrary to the position taken by respondent in the petition for rehearing, the remand ordered in the substituted opinion is to a panel of the South Carolina Court of Appeals and not to the Court of Appeals *en banc*.

As to petitioner's motion to revoke bond, this Court declines to rule on this motion. Instead, this motion should be considered by the Court of Appeals once this matter is returned to that Court.
