Dear Court

I got your letter today saying I have 10 days to correct any deficiency in my case # 2015-002390.

I don't remember the date, but when I got the written notice I wrote the Supreme Court of South Carolina and they mailed me a response to my letter dated September

30, 2015. so I am thinking I wrote the Supreme Court the same day I got the written notice. With that being said, I want to say September 30, 2015 was the day I received the notice of judgment from this appeal.

I hope that I gave you what you need to move on with my case. Thank you for your time.
