Re: 59(e) Request ; Appeal Request

Dear Mr. O'connor,

I was disappointed to hear that my PCR was denied after the evidence we presented at PCR.

Once you get the order would you please consider doing a 59(e) Motion to Alter or Amend for me.

A 59(e) Motion is crucial in a PCR case regarding to the PCR mandate I have from the Attorney General's office

If, in your professional opinion, you think the signed order is appropriate and contains everything we raised at per and its based on facts and conclusions of law under the PCR statute and a s9(c) is not necessary would you please file my appeal for me and its my understanding that the indigent Defense will take over my case once you file an appeal to the Supreme Court. I'm sure you ~~then~~ have 30 days from the day you receive the order to file an appeal on my behalf.

When you send me a copy of the order would you please send me my transcripts also.

Please let me know in a quick response what your plan will be concerning my 59(c) Motion or Appeal.

Thank you for your valuable time on this matter, In kind regards

Sincerely
Willie Dow

Re: Post Conviction Relief Order

Dear Mr. O'Connor,

I would like to bring to your attention that everyone I went to PCR with has already received their order from Judge Young and are in the Certification process.

The last time I heard from you was November 2012.

Would you please check on my PCR order and let me know what is going on?

If you have not received my order when you do please file my Appeal on my behalf.

I just can't understand why I haven't got my order yet and the two guys that went with me got their orders in December 2012

Please check this out for me and let me know what's going on with my case.

Thank you for your valuable time on this matter. In kind regards,

Sincerely
Willie E. Dow
