I am in receipt of your letter dated December 4 which I have just recently received. Please note that I am not challenging the original plea of Guilty, however, I am challenging the payment terms of that agreement

As the Court is aware and my Attorney has explained on several occasions, I am very limited on funds available to to repay. The original agreement with the Prosecutor stipulated a 3 year program. I am collecting S/S and have a p/t job that pays \$8.50/hr. My total expendable income amounts to \$200/month which would enable me to repay this debt.

This is the only financial program I can agree to- I want to be a responsible person and pay back this debt.

If I cannot appeal the egregious nature of this payment program , then there is no way I can fulfill this obligation.

I am 73 years old, have a disabled wife and would be to no one's advantage to have me incarcerated, least of all to the people who need to be repaid.

Thank you for your assistance in resolving this issue.

Sincerely

Herbert H. Bagley
