Hey,

I think the Court should look at my case again because its alot of issues that need to be address. like Keith williams recanted his statement and testify and said we had nothing to do with that crime But the Judge didn't bring that up him or my lawyer. I don't understand how Im the only one got found guilty and Precious harris didn't All three of us had the same chargers Keith williams Pled guilty The witness they had couldn't identify me or Keith williams when they got on the stand how could they say i did a crime with know evidence But a statement could you please Tell me something How this case is a Andres Brief They didn't Put all the Parts in the case could you write me back and let me know who else I could write about this Thank You.
