MOTION FOR EXTENSION

Pursuant to Rule 240, SCACR, the appellants request a 30-day extension of the deadline for filing the initial brief and designation of matter to be included in the record on appeal. The current deadline is January 4, 2016. This is the fourth request for an extension of this deadline.

Appellants' counsel posits the following extraordinary circumstances supporting this request:

- A. Appellants' counsel's mother has been hospitalized in Florence and Darlington, SC, for nearly 5 weeks and counsel has taken numerous unplanned trips to Florence and Darlington related to her medical care and personal affairs;
- B. Appellants' counsel is still dealing with weather-related repairs to his home which has caused counsel to be out of the office for unexpected extended periods of time;
- C. The material in this appeal is extensive and counsel has been reviewing the material and anticipates briefing will take more than the normal amount of time.
