

transcript would be an asset to determined judicial errors but it is my belief the submission of Appellant Complaint, Respondents Answers, Appellant Memoranda Of Laws, Appellant Proposed Orders, Judge G. Thomas Cooper Jr. Signed Orders and Appellant Appeal Legal Brief that has been prepared for this Honorable Court will be an effective presentation of facts and law before this Honorable Court.

I the Appellant, Clarence B. Jenkins Jr, has made a request before this Honorable Court seeking approval.

Respectfully Submitted by,

January 4, 2016
