APPEAL FROM HORRY COUNTY  
Court of General Sessions

Case No.: 2012-CP-26-09212

William V. Long, .....Appellant

v.

The State of South Carolina, .....Respondent

**APPELLANT'S CONSENT MOTION TO REQUEST  
TO FILE NOTICE OF APPEAL OUT OF TIME**

COMES NOW the Appellant, by and through his undersigned counsel, and hereby requests an extension of time in order to file the Notice of Appeal in connection with this case.

On October 12, 2015, Counsel for the Appellant prepared and mailed for filing Notice of Appeal and Certificate of Mailing to the South Carolina Court of Appeals and Horry County Clerk of Court in this matter.

On December 15, 2015, the South Carolina Court of Appeals advised via copy of correspondence to the Appellant that they had not received anything regarding receipt and filing of Notice of Appeal and Certificate of Mailing.

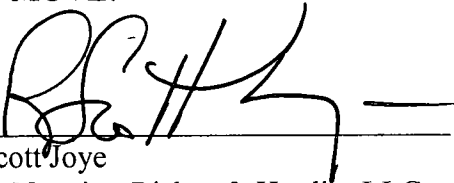

While the Notice of Appeal and Certificate of Mailing were erroneously sent to the South Carolina Court of Appeals, Counsel for the Appellant was unaware the Notice of Appeal and Certificate of Mailing had not been filed because, to date, he has not received clocked copies of said documents, notification from South Carolina Court of Appeals advising that this matter due to being a post-conviction relief action should be filed with the South Carolina Supreme Court

rather than the South Carolina Court of Appeals nor return of Counsel's October 12, 2015 correspondence by the United States Postal Service.

Due to being unaware Notice of Appeal had not been filed, Counsel for the Appellant would hereby request that the Court grant his Motion to Request to File Notice of Appeal and Certificate of Mailing Out Of Time.

As evidenced by the signature below, the Office of the Attorney General consents to the filing out of time of this Notice of Appeal without consenting to or waiving the right to contest any other element of the appeal. Appellant would respectfully request an additional thirty (30) days to file the Notice of Appeal and Certificate of Mailing in this matter.
