v.

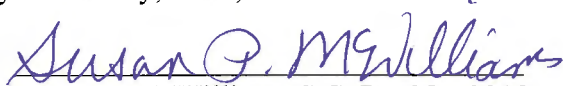

Dryvit Systems, Inc., Defendant.

APPELLANTS' MOTION TO WITHDRAW APPEAL WITHOUT PREJUDICE

Pursuant to Rules 240 and 260(c), SCACR, Appellants move the Court for an order withdrawing this appeal without prejudice and holding the remitter to lower court for a period of 90 days to resolve the matter. As further grounds for the relief sought herein, Appellants would show the Court that the parties have reached an agreement to resolve this matter and other related matters, but that all of the conditions precedent to consummation of the settlement have not yet occurred. The parties expect those conditions to have occurred within the next month and due to the Court's acceptance of the appeal on the briefs, they seek to relieve the Court of consideration of the matter in light of their agreement to resolve the matter. In the event, however, that the resolution

of this matter is not consummated within ninety (90) days of this motion, Appellants seek to be permitted to file a motion to reinstate within the 90 day period or, thereafter, for good cause shown. Prior to filing this Motion, counsel for Appellants conferred with opposing counsel regarding the relief sought herein and counsel for Respondents do not oppose the motion.

Respectfully submitted this 7th day of January, 2016,
