Re: Robert Wilkes v. Town of Pawley's Island
Appellate Case No. 2016-000029

Dear Counsel:

Upon reviewing your notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- The caption in the notice of appeal indicates Georgetown County Planning Commission is a respondent, however, it is not listed in the caption of the circuit court order being challenged on appeal.
- You are requested to serve and file an amended notice of appeal showing clearly the respondents and all attorneys representing the respondents in this matter. All parties are advised that service of the amended notice of appeal does not affect the timelines for the appeal.
- You must provide a clocked copy of the summons and complaint, or an order issued by the trial court featuring the complete caption.

Very truly yours,

V. Claire Allen, Deputy

CLERK
