I, Sylvia is motioning this court for reconsideration of my motion to stay. To the best of my knowledge the motion fee was paid and I never received notice from this court that the motion fee was not paid. It has been more than two months since this motion was filed and I never received anything from the court except this last correspondent that indicates that this motion will not be considered because of lack of payment for the motion. I would like for my case manager to please research the record to verify to see if there were a mistake made in reference to the payment of my motion. After verifying and it indicates that there were no payment received please reconsider and accept payment for the motion to stay. The granting of this motion will enable me to better descend my rights as a homeowner in this matter. Please contact me with further instruction as soon as possible.
