THE STATE OF SOUTH CAROLINA In the Court of Appeals

APPEAL FROM THE ADMINISTRATIVE LAW COURT, Ralph King
Anderson III Judge Case No. & ALT-22-0138-AP

Diana Jordan, Appellant.

Appellate Case # 2015-001912

(SCDEW)

v

MOTION FOR EXTENSION

South Carolina Department of

OF TIME

Employment & Workforce, Respondent.

Appellant, Diana Jordan hereby moves for an extension of time in this appeal until SCDEW responds to the 11/05/15 timely submission of evidence exonerating Appellant of fraud and overpayment.

STATEMENT OF FACTS FOR PURPOSE OF THE MOTION

- 1) The SCDEW had an order releasing tax information for the July 2014 hearing but chose not to include Appellant's W2's.
- 2) On 10/11/15 a notice of action regarding federal income tax returns was sent to Appellant.
- 3) On 11/05/15 Diana Jordan timely submitted W2's for 2012, 2011, 2008, 2007, 2005 and Social Security record with contributions back to 2002 visible, to BPCCollections@dew.sc.gov.
- 4) The amounts reported to the Internal Revenue Service and Social Security are exactly the same as what was reported to SCDEW and exonerate Diana Jordan of fraud and overpayment.
- 5) The South Carolina Court of Appeals ORDER dated 11/7/16 provides proof that the appeal has not concluded therefore the SCDEW must reverse their assessment of fraud and overpayment.

CONCLUSION

After weighing the appropriate factors, this Court should conclude that Diana Jordan has shown support for an extension of time and grant the motion. SCDEW will need

4. Such tax information retains its confidential nature under § 12-54-240 once produced to the Department, in part because the tax information contains sensitive information such as social security numbers and tax identification numbers.

5. Upon issuance of a proper judicial order, § 12-54-240 permits the Department to disclose necessary confidential tax information to a third party (i.e. Claimant).

6. As this tax information and SCDOR employee testimony are a crucial and non-severable part of the Department's case against Claimant, the Tribunal finds that it is necessary and proper for the Claimant to have the right to inspect such tax documents and hear/receive such testimony.

THEREFORE, IT IS HEREBY ORDERED that the Department must redact all social security and tax identification information contained on the requested tax documents.

IT IS FURTHER ORDERED that the Department should allow Claimant to inspect these redacted documents prior to the hearing, *however, Claimant may not make any disclosure of confidential tax information without proper authorization.*

IT IS FURTHER ORDERED that designated employees with SCDOR shall be requested, via subpoena pursuant to § 12-54-240(B)(11), to provide testimony and/or written affidavits regarding the tax information found relevant to the above captioned matter.

IT IS SO ORDERED.

NOTICE OF ACTION REGARDING FEDERAL INCOME TAX RETURN(S)

DIANA JORDAN
104 WOODGLEN LN
CHAPIN SC 29036-7514

UI-7

Date Mailed: 10/01/2015
SSN: XXX-XX-3789

This Notice is to inform you of an existing overpayment balance owed to the South Carolina Department of Employment and Workforce (DEW) and that DEW is authorized to collect the debt through the Treasury Offset Program (TOP).

Outstanding Balance Due: \$53,577.00

DEW records indicate that you owe an outstanding debt to DEW resulting from the payment of unemployment insurance benefits that you were not entitled to receive. The Federal Program Integrity Act of 2008 permits DEW to participate in TOP which allows it to intercept **Federal Income Tax Returns** to offset certain debts owed to DEW. See S.C. Code Ann. § 41-41-40(A)(4). These debts include fraud overpayments and overpayments resulting from conflicts between wages earned for the week claimed and those wages actually reported.

Therefore, any **Federal Income Tax Return** due payable to you, up to and including the amount of your debt balance, will be intercepted through TOP.

If you believe that all or a part of the debt is not past due or not legally enforceable, you may send documentation to support your position to P.O. Box 2644, Columbia, SC 29202 or email BPCCollections@dew.sc.gov. This documentation must be sent within sixty (60) days of the mailing date of this notice in order for DEW to consider the evidence.

NOTE: This opportunity to present evidence is not a review of the initial determination establishing the overpayment or other liability; instead, it is a final opportunity to ensure the current amount of the debt and that it is legally collectible.

Bankruptcy: If you have filed for bankruptcy and the automatic stay is in effect, you are not subject to offset while the stay is in effect. **HOWEVER**, be aware that fraudulently obtained unemployment insurance benefits are not dischargeable under bankruptcy law, and DEW will exercise its right to move the Court to declare the debt collectible. It is in your best interest to discuss this matter with an attorney.

Before we submit your debt to TOP, you may:

- Pay the debt in full or enter into an acceptable repayment agreement.
- Request copies of the documentation related to your debt.

If you have any questions regarding this Notice, you may contact a FIRE Collections Specialist at (803) 737-2490, Option #2. **If you have paid the debt in full, please disregard this notice.**

The debt is not legally enforceable. The over payment is under appeal at the South Carolina Court of Appeals. I have attached a copy of my Social Security (SS) record with the contributions back to 2002 visible. The amounts reported to SS corroborate the amounts reported to SCDEW. Also, I have attached copies of my W2's for 2012, 2011, 2008, 2007 and 2005 which is the IRS's document retention time. The amounts reported to the IRS also match the amounts reported to SCDEW. What Social Security Means To You

This *Social Security Statement* can help you plan for your financial future. It provides estimates of your Social Security benefits under current law and updates your latest reported earnings.

Please read this *Statement* carefully. If you see a mistake, please let us know. That's important because your benefits will be based on our record of your lifetime earnings. We recommend you keep a copy of your *Statement* with your financial records.

Social Security is for people of all ages...

We're more than a retirement program. Social Security also can provide benefits if you become disabled and help support your family after you die.

Work to build a secure future...

Social Security is the largest source of income for most elderly Americans today, but Social Security was never intended to be your only source of income when you retire. You also will need other savings, investments, pensions or retirement accounts to make sure you have enough money to live comfortably when you retire.

Saving and investing wisely are important not only for you and your family, but for the entire country. If you want to learn more about how and why to save, you should visit www.mymoney.gov, a federal government website dedicated to teaching all Americans the basics of financial management.

About Social Security's future...

Social Security is a compact between generations. Since 1935, America has kept the promise of

security for its workers and their families. Now, however, the Social Security system is facing serious financial problems, and action is needed soon to make sure the system will be sound when today's younger workers are ready for retirement.

Without changes, in 2033 the Social Security Trust Fund will be able to pay only about 77 cents for each dollar of scheduled benefits.* We need to resolve these issues soon to make sure Social Security continues to provide a foundation of protection for future generations.

Social Security on the Net...

You can read publications, including *When To Start Receiving Retirement Benefits*; use our Retirement Estimator to obtain immediate and personalized estimates of future benefits; and when you're ready to apply for benefits, use our improved online application—It's so easy!

Carolyn W. Colvin
Acting Commissioner

* These estimates are based on the intermediate assumptions from the Social Security Trustees' Annual Report to the Congress.

Total Social Security and Medicare taxes paid over your working career through the last year reported on the chart above:

Estimated taxes paid for Social Security:		Estimated taxes paid for Medicare:	
You paid:	\$14,585	You paid:	\$3,556
Your employers paid:	\$15,119	Your employers paid:	\$3,556

Notes: Currently, you and your employer each pay a 6.2 percent Social Security tax on up to \$118,500 of your earnings and a 1.45 percent Medicare tax on all your earnings. If you are self-employed, you pay the combined employee and employer amount, which is a 12.4 percent Social Security tax on up to \$118,500 of your net earnings and a 2.9 percent Medicare tax on your entire net earnings. If you have earned income of more than \$200,000 (\$250,000 for married couples filing jointly), you must pay 0.9 percent more in Medicare taxes.

Help Us Keep Your Earnings Record Accurate

You, your employer and Social Security share responsibility for the accuracy of your earnings record. Since you began working, we recorded your reported earnings under your name and Social Security number. We have updated your record each time your employer (or you, if you're self-employed) reported your earnings.

Remember, it's your earnings, not the amount of taxes you paid or the number of credits you've earned, that determine your benefit amount. When we figure that amount, we base it on your average earnings over your lifetime. If our records are wrong, you may not receive all the benefits to which you're entitled.

Review this chart carefully using your own records to make sure our information is correct and that we've recorded each year you worked. You're the only person who can look at the earnings chart and know whether it is complete and correct.

Some or all of your earnings from last year may not be shown on your *Statement*. It could be that we still were processing last

year's earnings reports when your *Statement* was prepared. **Notes:** If you worked for more than one employer during any year, or if you had both earnings and self-employment income, we combined your earnings for the year.

There's a limit on the amount of earnings on which you pay Social Security taxes each year. The limit increases yearly. Earnings above the limit will not appear on your earnings chart as Social Security earnings. (For Medicare taxes, the maximum earnings amount began rising in 1991. Since 1994, all of your earnings are taxed for Medicare.)

Call us right away at 1-800-772-1213 (7 a.m.-7 p.m. your local time) if any earnings for years before last year are shown incorrectly. Please have your W-2 or tax return for those years available. (If you live outside the U.S., follow the directions at the bottom of page 4.)
