ORDER

Appellant has filed a motion to supplement the record and an amended motion to supplement the record, seeking to provide this court with a supplemental citation pursuant to Rule 208(b)(7) of the South Carolina Appellate Court Rules. We grant the motions.

Appellant has also filed a petition for rehearing. After careful consideration of all of Appellant's filings, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
