RE: Mobile home at 1120 Marthan, Blythewood, SC 29016

**SC Court of Appeals**

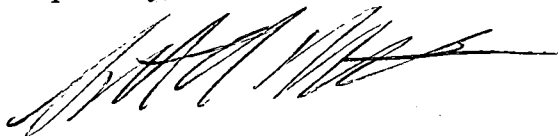

To Whom It May Concern,

The mobile home located at 1120 Marthan was inspected and the following results were found:

- Water dripping from the ceilings
- Water running down the walls
- The floor was missing in several locations
- Unknown black biological substances on the walls
- Sickening moldy, mildewing smell

It is the opinion of this residential building inspector that this structure is uninhabitable.

Respectfully,
