Re: Bayview Acres v. Gerald Moore
Appellate Case No. 2015-000920

Dear Counsel:

Our records reflect the respondent's initial brief and designation of matter were due to be served and filed on November 25, 2015. In order for the Court to consider the respondent's initial brief and designation of matter, you must file a motion to file the respondent's initial brief and designation of matter out of time. Failure to do so within ten (10) days of the date of this letter will result in the Court proceeding with this appeal without the respondent's initial brief and designation of matter.

Very truly yours,

V. Claire Allen, Deputy

CLERK
