THE STATE,

RESPONDENT,

V.

HAROLD BENNON CARTWRIGHT, III,

PETITIONER.

APPELLANT CASE NO.2016-000005

PETITION TO EXCEED TWENTY-FIVE
PAGE LIMIT FOR A PETITION FOR
A WRIT OF CERTIORARI TO THE COURT OF APPEALS

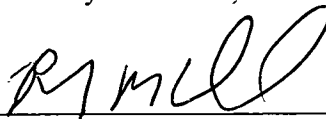

The undersigned counsel would respectfully request an order allowing him to file a petition for writ of certiorari in this case in excess of the twenty-five page limit imposed by Rule 243(e)(3), SCACR. In support of this motion, counsel would respectfully show the Court:

1. The petition for writ of certiorari and the appendix in this case is due to be filed today, January 25, 2016. Counsel does not think that justice to the four meritorious issues in this case can be done in the twenty-five pages authorized by Rule 243(e)(3), SCACR.

2. Consequently, counsel respectfully moves that this Court allow him to file, and accept the certiorari petition filed today not in excess of thirty pages. The certiorari petition is presently twenty-eight pages, and it appears to undersigned counsel that further attempts to cut would hurt the advocacy on behalf of the client. Opposing counsel, David Spencer, of the Office of the Attorney General, graciously has stated he does not oppose this request as also evidenced by his signature below.

WHEREFORE, undersigned counsel would respectfully request an order from this Court granting him the right to exceed the twenty-five page limit of Rule 243(e)(3), SCACR, and accepting the certiorari petition filed today with this Court that is not in excess of thirty pages.

Respectfully submitted,

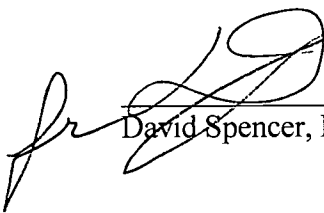

Robert M. Dudek
Chief Appellate Defender

ATTORNEY FOR PETITIONER

January 25th, 2016.

I do not oppose this request:

David Spencer, Esquire
