MOTION TO ACCEPT

---

Pursuant to Rule 240, SCACR, Respondent (Anthony Shannon Ransom) move that the state accept the Respondent's initial brief and designation of matter as it was presented to the court of appeals based on the respondent's good faith attempts at responding to litigation.

**ARGUMENT**

Upon receiving the court's response and notice of deficiencies, the respondent made good faith attempts to correct the deficiencies and resubmit all matters to the South Carolina Court of Appeals. Pursuant to rule 240, SCACR, the respondent addressed the deficiencies, paginating the initial brief and serving and filing a proof of service of the initial brief and designation of matter within the prescribed ten day period. All parties now have the requisite copies of the respondent's designation of matter and initial brief. The respondent stands ready to proceed with the matter at the convenience of the court.

**CONCLUSION**

For the reasons stated herein, respondent respectfully moves this court for an order to allow the amended designation of matter and respondent's initial brief so he may be allowed to avail himself of the protections of the South Carolina Court of Appeals.
