The South Carolina Court of Appeals

To Whom it may Concern:

I William Brady have had a hardship in the last month, my wife has a high risk pregnancy and has been on bedrest the whole term with surgeries. I was involved in a accident that was a level 2 trauma and was hospitalized at Grand Strand Hospital, with significant injuries. I filed a motion (rule 201) to apply for a transcript for case 2015-002223 and sent a letter to the court reporter, and I was not aware that I recieved the wrong transcript. I put the correct case number in the letter and wrote the letter to the correct clerk of court.

I am at the courts mercy to understand my situation.

I have filed for the correct transcript in which you should recieve as soon as possible. I can provide proof of my statement showing mine and my wifes hospitalization during this time upon request.

Thank you for your consideration,
