**SC Court of Appeals**

Appeal From Florence County  
Honorable D. Craig Brown, Circuit Court Judge

THE STATE,

RESPONDENT

vs.

DAMON MOODY,

APPELLANT

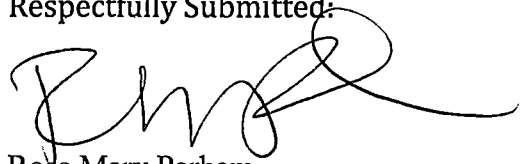

**MOTION TO AMEND APPELLANT'S DESIGNATION OF MATTER TO BE INCLUDED IN  
THE RECORD ON APPEAL**

This Motion comes before the Court pursuant to Rule 209 of the South Carolina Rules of Court to amend the Appellant's Designation of Matter to be included on the Record on Appeal.

This motion is based on the following facts. The Appellant mistakenly cited documents in its Designation of Matter which were not relied upon by either the Appellant or the Respondent in their initial briefs. As such, the Appellant wishes to amend its Designation of Matter to exclude those materials which are not germane to either party's arguments on appeal and also ensure that the Record on Appeal will be concise. The undersigned's staff has spoken with opposing Counsel Benjamin J. Aplin who has indicated that he has no objection to this request.

It is therefore requested of this Honorable Court that the Appellant's request to amend its Designation of Matter be granted and an order be entered.

Respectfully Submitted:

A handwritten signature in black ink, appearing to read 'RMP', with a long, sweeping horizontal stroke extending to the right.
