AND DESIGNATION OF MATTER**

---

Appellants Initial Reply Brief is currently due January 28, 2016. Appellants previously requested and received a 30 day extension. The parties have been engaged in settlement discussions over the past 60 days and believe that the matter may potentially settle in the near future. Accordingly, the parties respectfully request a brief fourteen (14) day extension of time in which to file and serve the Initial Brief and Designation of Matter should they be unable to reach a final settlement. The requested extension makes the due date February 11, 2016.
